### **NexJ Systems Inc. Leases Over 70,000 square feet of A Class Office Space to Accommodate its Healthy Growth**

**TORONTO – May 25, 2011** – Real Facilities guided the executive team at NexJ Systems Inc. through the complex office lease negotiation with SITQ/Bentall for a staged expansion up of 70,000 square feet office space 4104 Yonge Street, Toronto. The space was required to accommodate NexJ System's growth as a leader in enterprises CRM systems. Real Facilities Inc. has acted for NexJ Systems since its inception.

#### ***About Real Facilities Inc.***

*Real Facilities Inc. (www.realfacilities.com) is a Toronto-based, employee-owned, group of corporate real estate professionals representing the best interests of corporate space users. Other service providers represent both landlords and tenants, buyers and sellers, and create a marked conflict of interest. Real Facilities represents its clients only. Real Facilities' process delivers tangible cost savings and productivity increases for its clients before, during, and following a move.*

*Real Facilities is proud to include companies such as KIA Canada, Royal Bank of Canada, National Bank of Canada, Shoppers Drug Mart, Trillium Health Centre, Ombudsman Ontario, Magellan Aerospace, MDC Partners, Johnson & Johnson, Fuji Corp, LCBO, Bell Canada, Corby Distilleries, Wawanesa Canada, Intel Corp., Ingram Micro, Panasonic, Unisource Canada, Siebel Systems, Stantec Consulting, Symantec Corp., and VISION TV as its clients.*
